The screenshot shows the McAfee LiveSafe™ application interface. The top navigation bar includes 'Home', 'PC Security', 'Identity', 'Privacy', and 'Account'. A 'Trial: Ends in 30 days' notification is visible in the top right. The main dashboard features a 'Secure' status indicator with a green checkmark, a 'Protecting now' section showing '88' items protected, and a 'Run a scan' button. A settings menu is open on the right, listing various security features and their status.
